About Company

PT Usaha Trinitas Makmur is an engineering information technology company with its inception in September 2023 and headquartered in Jakarta. Our primary objective is to comprehend the diverse requirements of the industry and deliver appropriate services to ensure optimal satisfaction, thereby promoting the growth of the business ecosystem in Southeast Asia.

Our organization takes great pride in the team of professional employees who possess a wide range of expertise and inclusive backgrounds. We firmly believe that the diversity in experience and knowledge brings significant added value in resolving complex issues and generating innovative solutions for our esteemed clientele.

Furthermore, we lay great emphasis on providing high-quality products, which is reflected in the substantial investment we make in the product development processes, quality control, and continuous monitoring. This guarantees that every product we offer meets high-quality standards and surpasses the expectations of our clients.

The confluence of our team's expertise and dedication with the premium quality products we offer, enables us to continue being a trustworthy partner and an innovative solution provider for our clients in facing challenges and accomplishing their objectives in the field of information technology.

Our Products

We are committed to providing excellent products and services to meet the ever-changing needs of the information technology industry. Our dedication has helped us become one of the best in the market. We take pride in offering up-to-date solutions and ensuring that our clients' needs are always met

-  **Fiber Optic**
-  **FTTH Solutions**
-  **Structured Cabling**
-  **RF & Wireless**
-  **Rack & Cabinet**
-  **Power Supply Mean Well**
-  **Tools & Consumables**

Our Products

No.	Category	Sub-Category
I. Fiber Optic		
1	Fiber Optic Cable	a. Outdoor armoured stranded tubes cable b. Indoor breakout cable c. Indoor distribution cable d. Outdoor aerial stranded tubes cable e. Outdoor all dielectric stranded tube cable f. Outdoor double armoured stranded tubes cable g. Outdoor adss stranded cable
2	Fiber Optic Patch Cords	a. Fiber Pigtails (LC, SC, FC) b. Fiber Patch Cord Assembly
3	Fiber Optic Closure	a. Optical Dome Closure (24, 48, 96, 144 ports) b. Optical Inline Closure (24, 48, 96, 144 ports)
4	Fiber Converters	a. Fiber to UTP Converter b. Converter 10/100/100m Gigabit SC Converter 40km c. Converter 10/100/100m Gigabit SC Converter 20km
5	Fiber Management System	a. FTDS fiber management system b. FTDC fiber management system c. RFPO fiber distribution panel (pull out type) d. RFPP fiber distribution panel (pull out type) e. ODP outdoor fiber distribution box f. WFP wall mount fiber distribution box
6	Fiber Optic Connectors & Adapters	a. Fiber Fixed Attenuator (SC, LC, FC) b. Fiber Optic Connector (SC, LC, FC) c. Fiber Optic Adapter (SC, LC, FC) d. Fiber Hybrid Adapter
7	Fiber Tester & Tools	a. Fiber Basic Tool Kit b. Fiber Cleaning Kit c. Fiber Termination Tool Kit
8	Fiber Optic Transceiver	a. 1.25Gbps SFP Transceiver, 10km Reach Hot Pluggable, DX LC b. 1.25Gbps SFP Transceiver DX LC SM DDM 40km, Hot Pluggable c. 1.25Gbps SFP Transceiver, 80km Reach Hot Pluggable, DX LC
9	Passive Product & Accessories	a. Optical Coupler/splitter b. Fiber Heat Shrink Sleeve-Ribbon
II. FTTH Solutions		
1	FTTH Fiber Wall Socket	
2	FTTH Fiber Accessories	a. Field Installable Connector b. Pre-Connectorized Drop Cable c. Splitter Tray d. LGX Cassette Splitter
3	FTTH Fiber Drop Cable	a. FTTH indoor drop cable b. FTTH outdoor drop cable c. FTTH aerial drop cable
4	FTTH Fiber Distribution Cabinet (Indoor & Outdoor)	
5	FTTH Fiber Subscriber Box	Fiber Termination Box (4, 12, 24, 48 port)

Our Products

III. RF & Wireless		
1	RF Feeder Cables	a. Feeder Cable Copper 1/2" and 7/8" b. Feeder Cable Aluminium 1/2" and 7/8"
2	RF Feeder Connector	N male, N female, Din male, Din female
3	RF Indoor & Outdoor Antenna	a. Omni Indoor/Outdoor Antenna b. Mimo Indoor/Outdoor Antenna
4	RF Accessories	a. Splitter b. Combiner c. Attenuator d. Grounding Kids e. RF Jumper
IV. Structure Cabling		
1	Cat 6 UTP Cable	
2	Cat 6 UTP Patch Chords	
3	Cat 6 UTP Patch Panels	
4	Cat 6 UTP Outdoor Cable	
5	Cat 6 UTP Modular Jack	
6	Cat 6 UTP Modular Plug	
V. All Tools & Consumables		
1	Fiber Optic Tools	a. General Cable Cutter b. General Wire Stripper c. General Multi Meter
VI. Rack & Cabinet		
1	Server Racks	19" Free Standing Accument Rack (4U, 6U, 12U, 24U, 33U, 36U, 42U)
2	Outdoor & Indoor Cabinet	a. Open Cable Management System Rack b. Close Cable Management System Rack c. 19" Wallmount Rack (6U, 9U, 15U) d. Outdoor Weatherproof Cabinet e. Open System Rack
VII. Power Supply Mean Well		
1	Mean Well Switching Power Supply	LRS 50-12 (50W 12V 4.2A)
2	Mean Well Switching Power Supply	LRS 50-24 (50W 24V 2.2A)
3	Mean Well Switching Power Supply	LRS 100-24 (100W 24V 4.5A)
4	Mean Well Switching Power Supply	LRS 150-24 (150W 24V 6.5A)

Why choose us

PT Usaha Trinitas Makmur is an ideal partner that can be trusted to support your technology and business infrastructure needs. We offer a comprehensive range of services that are tailored to meet your specific requirements. Our team of experienced professionals is always at your service to help you implement the latest technology and infrastructure that can improve your business operations efficiency and effectiveness.

We prioritize customer satisfaction and are committed to providing the best service possible. Our team is equipped with the knowledge, skills, and desire to give their best, which helps in understanding the unique challenges faced by businesses. From equipment supply to maintenance and repair, we guarantee the quality and reliability of every service we provide. We understand how crucial reliable technology is to running a business, and we aim to provide you with the best solutions that allow you to focus on growing your business.

Our advantage lies in our ability to stay ahead of the curve in technological developments. We continuously update our team's knowledge and skills to ensure that we can provide our clients with up-to-date and innovative solutions. Choosing PT Usaha Trinitas Makmur as your technology partner gives you the confidence that you are working with a competent team, caring, and ready to help you achieve your business goals. Together, we will take your business to the next level by optimizing the use of technology for long-term growth and success.

■ Fiber Optic

Fiber PLC Splitter-Bare Fiber type

Fiber PLC Splitter-Blockless type

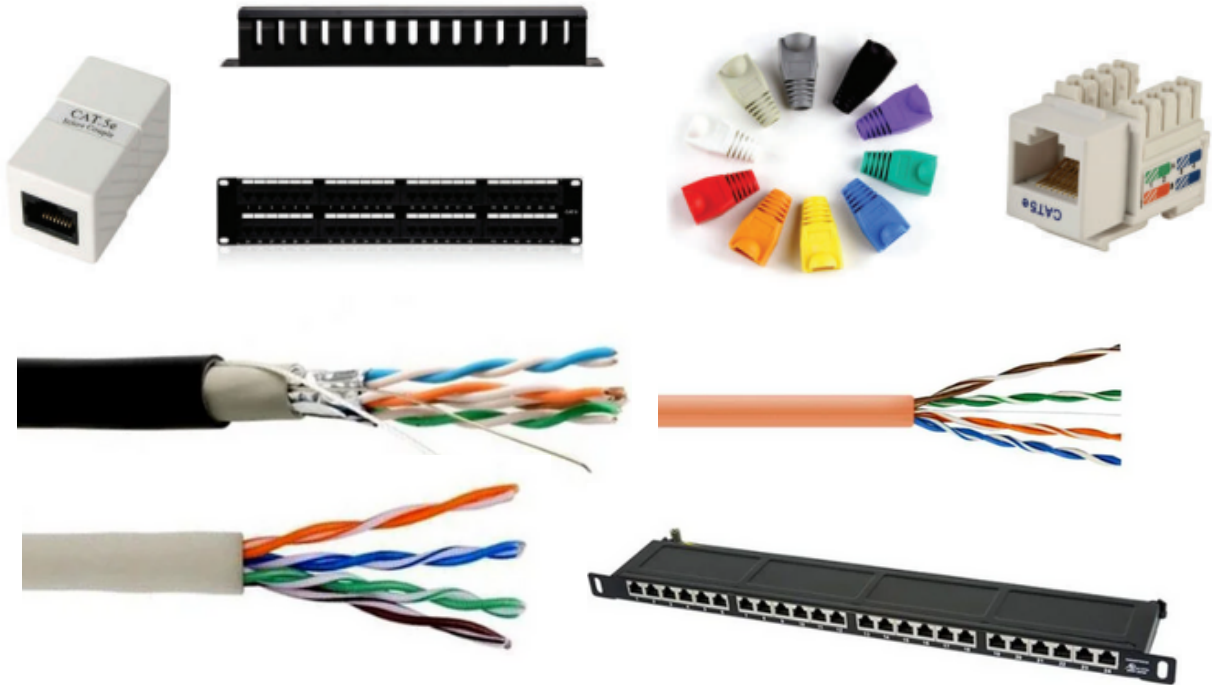

Fiber PLC Splitter-ABS Cassette type

Fiber PLC Splitter-Rack mount integrated design

— FTTH Solutions

■ Rack & Cabinet

■ Power Supply Mean Well

Thank You!

Hopefully, we can work together and this project will be successful.
